\$10 for 10,000 Campaigns a 'Barking' Success

Tucson, Arizona – The Pima Animal Care Center wishes to extend a huge thank you to Pima County residents for helping make their \$10 for 10,000 campaign a great success.

By the end of the 2009-2010 fiscal year we had saved 10,161 animals compared to almost 9,000 last fiscal year. This is a great achievement considering all overall services provided by the Center.

We are continuing the celebration and getting a good start to our new year by continuing the \$10 adoptions through our annual adoption event Monsoon Muttiness which takes place on Friday, July 9, 2010.

Monsoon Muttiness will have entertainment for the entire family with music, free food and fantastic raffle prizes. There will be lots of activities for the kids including story time, crafts, a scavenger hunt and a visit from McGruff. Additionally, Southwest Search and Rescue dogs, Marana Police Officers and their Canine partners and a selection of non-venomous native and non-native animals will be at the event.

Most importantly, there will be plenty of dogs and cats waiting for you to come meet them and take them home.

This will be the last chance for the \$10 adoptions, but Monsoon Muttiness will also have additional discounts and every adopter will receive a gift bag.

We look forward to seeing you on Friday from 5:00 pm to 10:00 pm and once again extend a huge thank you to the community and our rescue partners and volunteers for their continuing support.

We are located at 4000 N. Silverbell Road and our regular hours of operation are Monday through Friday noon until 7:00 pm, Saturdays and Sundays 10:00 am to 5:00 pm.

For additional information visit our website at: <http://www.pimaanimalcare.org/> or call 243-5900.
