

Announcement

Effective **February 2, 2009**, a [NEW packet](#) for Temporary Food Services will be available for food vendors and event coordinators.

The new packet includes:

- An updated application
- Easy to follow guidelines
- Simple checklist to meet Food Code requirements

A temporary food establishment permit is **REQUIRED** from the Health Department to prepare and serve food at events or celebrations open to the public.

Previous applications [will not](#) be accepted for events that occur **AFTER** February 2, 2009.
